

Parenting Workshops

Research shows that your baby is born learning. Your babies learn now at a speed that is unmatched later in life. "Our Babies Can't Wait" is about building a sound foundation for today's newborns so that by the time they are 20 years old, they will be successful in school and in life.

Ready! for Kindergarten is a partner of Our Babies Can't Wait. All participants will be receiving Ready! tools and will be considered a Ready! participant.

We invite you to join us in classes designed to equip you with the tools you will need as you become your child's first teacher. We are excited to be here to take the first steps with you to provide a caring and nurturing environment for your child. This program is open to *residents of East Kennewick**. If you are *pregnant or have a first-born child, born after October 1, 2008* and you live in the area, you are invited to join us for 8 sessions of parenting classes.

Highlights

- ◆ **Free**, fun, interactive parenting tips
- ◆ **Free** learning toys and books for your child
- ◆ A delicious dinner with other parents and the presenters
