

# READY! for Child Care Providers

**READY! for Child Care Providers kits give you materials and tools to foster the school readiness skills of children in your care.**

READY! offers two kits that cover a wide variety of school readiness skills. Each kit comes with a notebook of resources that can be used to train other child care providers at your facility.

## Language & Literacy Kit

## Math & Reasoning Social & Emotional Kit

Each kit contains enough tools for a provider to *play with a purpose* with up to three children ages 2 to 5, to help develop school readiness skills.
